Total Coliform *

E. coli *

Sample ID	Sample Description					

Please Note:
 Microbiological bottles cannot be used to submit a sample of water for mineral analysis unless they are rinsed thoroughly. The preservative present in the microbiological bottles will affect the accuracy of the water nutrient analysis.
 * Microbiological samples must be received before noon on Thursdays (samples will not be accepted on Fridays).

Sample Retention: 3-5 business days. Extended retention times must be advised and may be subject to additional costs.
